

Vineyard Christian School admits and does not discriminate against students of any gender, handicap, race, color, national or ethnic origin in the administration of its education policies, admission policies, scholarship programs or other school administered programs.

Though not part of our formal curriculum, some issues may be discussed in age appropriate ways by teachers in the classrooms and by speakers in Chapel programs. These may include the subjects of abortion, pre-marital sex, use of mind altering substances, homosexuality, and the creation/evolution models of origins. Our intent will be to impart values based upon Biblical teaching.
